

“THE ART OF ALLOWING”

{LESSON NUMBER 1} {9/13/2009}

“UNQUESTIONABLY FREE”

- I. It is past time that man discovers his innate ability to *allow* the well-Being of His Source (God) to flow steadily and unrestricted into his life experience.
 - A. This discipline is called “*The Art Of Allowing.*”
 1. The “*Art Of Allowing*” is the art of no longer resisting the Well-Being that you deserve as a son or daughter of God.
 2. As a son or daughter of God this “*Art of Allowing*” your *Well-Being* is your legacy, and God is your “Source”.
 3. But please understand, whatever you *Allow* is what you get, good or bad!
 4. You are the creator of your own reality, you are free.
 - a. This idea of freedom is supported in Scripture in John 8:36: **“So if the Son liberates you [makes you free men], then you are really and unquestionably free.”**
 - b. We also find support in Galatians 5:1: **“In [this] freedom Christ has made us free [and completely liberated [us]; stand fast then, and do not be hampered and held ensnared and submit again to a yoke of slavery [which you have once put off].”**
 5. But the problem with this above statement of freedom with most people is the fact that they are plagued with some basic questions: “*Do we really have the right to choose and create our own reality? And if it is appropriate for us to choose it, how do we go about doing it?*”
 6. It is my firm belief that believers are “born again” in freedom, with the innate knowledge that they can create their own reality.

“GOAL OF THIS LESSON”

- B. The goal of this lesson is to help believers realign with God as their source.
 1. Christians today must awake to mind clarity, and realize God’s goodness toward them and accept His power as their source.
 2. This teaching is written to help them in consciously returning to the idea that they are free and that they always have been free – and that they

“THE ART OF ALLOWING”

- always will be free “in Christ” to co-labor with God in making their own choices.
3. There is no pleasure or satisfaction in allowing man to attempt to create your reality.
 - a. The truth of God is , it is not possible for anyone else to create your reality.
 4. Once you realign with God and His universal spiritual laws, then the joyous creation of your desires will occur beyond physical description.
 - a. You will become the creator of your own experiences as you co-labor with God, and there is great satisfaction when this takes place.

“THE GOD OF TRUTH AND FIDELITY”

- C. I also made the statement that the “*Art Of Allowing*” your *Well-Being* is your God given *Legacy*.
1. By my being a Christian Teacher it is my duty to support my statements with Scripture, So, I will start by reading from Isaiah about a time when God promised His Children a special blessing.
 2. This promise is prophetically promised in Isaiah 65: 16 AMP: “**So [it shall be] that he who invokes a blessing on himself in the land shall do so by saying, May the God of truth and fidelity [the Amen] bless me; and he who takes an oath in the land shall swear by the God of truth and faithfulness to His promises [the Amen], because the former troubles are forgotten and because they are hidden from My eyes.**”
 3. Please note, if a believer needed a blessing in this new time, he or she would speak the words, “**...May the God of truth and fidelity [the Amen] bless me;.....**”.
 4. In understanding this we will need to look at the definitions of truth and fidelity.
 - a. The word *truth* can mean *fidelity to an original or a standard-reality*.
 - b. One of the major definitions of *fidelity* is the *degree a system*

“THE ART OF ALLOWING”

accurately reproduces the sound or image of its input signal.

5. So, when we speak (vibrate) words toward the Source of all Energy, God makes sure through *truth* and *fidelity* that He accurately reproduces the vibration of sound into an image of its input signal.
 - a. It is a fact that we can trust Him with our original desire, but its imperative that we do not speak (vibrate) negative thoughts toward the Source of all energy.

“STUMBLING WITH WORDS”

- D. A leading neurosurgeon recently made the statement that the speech center in the human brain exercises dominion over the whole central nervous system.
 1. He continued in the article to say that this recent discovery by science found that when the speech center of the brain is stimulated, the whole central nervous system responds.
 2. This means that when anyone says, “I am weak,” the speech center sends out (vibrates) the message and the body responds according.
 - a. This must be the reason God said, **“Let the weak say, I am strong”** (Joel 3:10).
 - b. The truth is, James makes it clear that the tongue controls not only the whole body, but also the destiny and quality of our lives.
 3. He said it this way in James 3:2 AMP: **“For we all often stumble and fall and offend in many things. And if anyone does not offend in speech – never says the wrong things – he is a fully developed character and a perfect man, able to control his whole body and to curb his entire nature. If we set bits in the horses mouths to make them obey us, we can turn their whole bodies about.”**
 4. The Greek word that has been translated “offend” in the King James version of the Bible is translated “stumble” in the Amplified version.
 - a. This certainly changes things. If we don’t stumble in our words (vibrations), James said, **“The same is a perfect man and able to**

“THE ART OF ALLOWING”

bring his whole nature into obedience.”

5. The obedience of our nature must be what? The Word of God that we visualize and believe.
 - a. How do we bring our whole nature (Spirit, Soul, and Body) into this type of obedience?
 - b. By “Allowing” God to bless us with the manifestation of His Word. How?
 - c. By alining our words and thoughts (vibrational harmony) with His words. Where?
 - d. First in our spirit (heart), then in to our soul (mind), and finally in manifestation in our body.
6. Please remember, those that say they can and those that say they can’t are both right.
 - a. Words (vibrations) are the most powerful things in the universe.
 - b. If we pray defeat and receive it, we are allowing it.
 - c. The truth is, even prayer produces after its kind.
 - d. In Mark 11:24 the Word says: **“What things soever ye desire, when ye pray, believe that ye receive them, and ye shall have them.”**

“GODS ANSWER IS YES TO HIS PROMISES”

- E. To assist us in finding what time Isaiah is speaking of, we find a Bible reference from Isaiah 65:16 to II Corinthians 1:20: **“For as many as are the promises of God, they all find their Yes [answer] in Him [Christ]. For this reason we also utter the Amen (so be it) to God through Him [in His Person and by His agency] to the glory of God.”**
 1. Did you hear that? God has many promises to us and we can find our yes answer to all of them in Christ.
 2. Then in verse 21 we find that God is able to back up His promises to us, **“But it is God Who confirms and makes us steadfast and establishes us [in joint fellowship] with you in Christ...”**
 - a. The word “*establish*” here means to bring about; generate.

“THE ART OF ALLOWING”

3. So, in verse 21 we understand that God backs up His promises by establishing us.
4. This means He brings His promises about by “*generating*” His energy toward our vibrational agreement with His Word in our hearts.
 - a. I can hear some of you now, generating, generating what?
 - b. The answer to that lies in understanding the laws of energy which are now revealed by quantum physics – namely that all that exists in the universe is Energy.
5. There is One Power (God) and everything that exists comes out (generates) of Him.
 - a. The science of quantum physics calls this One Power of energy “*the unified field of energy*”.
 - b. It is difficult for our finite minds (having bounds, limited) to understand the infinite (in’-fi-nit) (having no boundaries or limits), but we can learn to understand God’s mind by learning His laws by which He governs the universe.
 - c. These laws are the laws of energy!
